

YONKERS' SUNDAY PICK 5 WAGER HAS MANDATORY PAYOUT
BY FRANK DRUCKER, Publicity Director, Empire City @ Yonkers Raceway

YONKERS, NY, Friday, December 15, 2017—As part of Yonkers Raceway's season-ending program Sunday afternoon (Dec. 17th), the Pick 5 has a mandatory payout.

The 50-cent base wager gimmick (races 7 through 11) normally requires all five winners to get paid, with no consolation. However, since state law prohibits pools from being carried over into a new year, Sunday's Pick 5 becomes a 'must pay' proposition.

First post Sunday is 11:30 AM, with the Pick 5 wager set to begin at 2 PM.

Yonkers' 2018 live season is scheduled to get underway with a matinee Sunday, Jan. 7th (post time TBA), pending approval of the New York State Gaming Commission.
