**FRANK DRUCKER, Publicity Director, Empire City @ Yonkers Raceway**

YONKERS, NY, Friday, March 2, 2018—The wind and the snow and the rain and all that other fun stuff has forced Yonkers Raceway to cancel Friday's night (March 2<sup>nd</sup>) live racing program.

Evening simulcasting has also been scrapped, though afternoon simulcasting is available until approximately 6 PM. It's the Raceway's first full-card cancellation of the season.

Live racing is scheduled to resume Saturday night (March 3<sup>rd</sup>) with a first post of 6:50 PM.
