

YONKERS GOING ALL SUPERFECTAS, ALL THE TIME
BY FRANK DRUCKER, Publicity Director, Empire City @ Yonkers Raceway

YONKERS, NY, Monday, May 14, 2018—Yonkers Raceway's Superfecta Mondays are breeding.

Effective Thursday night (May 17th), the Raceway shall offer superfecta wagering in every race, every night, provided there are sufficient wagering interests in a given race.

“Our fans have indicated they wanted more exotic wagers,” Raceway COO Bob Galterio said. “We’re happy to offer this as we continually try to improve our product.”

The new wagering format was approved by the New York State Gaming Commission.
