

**FOILED AGAIN'S 100<sup>TH</sup> CAREER WIN GETS AIR TIME**  
**BY FRANK DRUCKER, Publicity Director, Empire City @ Yonkers Raceway**

YONKERS, NY, Sunday, July 8, 2018—Foiled Again's milestone went mainstream.

His 100<sup>th</sup> career win may have come Sunday afternoon (July 8<sup>th</sup>) at Harrah's Philly, but the accomplishment was duly noted Sunday night in New York City.

WCBS-TV (Channel 2) sports anchor Steve Overmyer aired the late-stretch drive of Foiled Again's historic win during the 11 PM newscast. Overmyer had visited Yonkers Raceway earlier in 2018 to chronicle the sport's richest-ever performer's quest for Century City and subsequently became a 'Foiled fan,' dutifully checking the entries and results while keeping tabs.

We appreciate Overmyer's continued interest in the story.
